

BRIDGETON RELAY RECORD HOLDERS

First Running of the Bridgeton Relays • Saturday, April 22, 1944

The first running of the Bridgeton Relays included four events which were run as they are listed. Due to the number of schools which entered the relays, Groups I and II were combined for the competition. The meet director for the first running of the "Oldest Relay" in the State of New Jersey was Mr. Ray Welsh. These records are accurate and remain quite impressive to this day!
